## 2. Finding your way

### 2.1. Between the hotel and the school

Prague boasts one of the best public transport network in the world and we will be using the iconic Prague trams throughout the whole conference. It takes about 15 minutes from the hotel to Jan Neruda High School, using **tram no. 22**. Don't forget to validate your CZK 24 ticket after getting on a tram – if you forget, you may be fined around 30 Euro.

<i>direction</i>	<i>tram</i>	<i>where to find the stop</i>	<i>number of stops</i>
<u>To the school</u>	<b>22</b> from Malovanka to Hellichova (direction of Nádraží Strašnice)	<b>Malovanka:</b> right in front of the hotel. <b>Hellichova:</b> follow the tram rails and take the second left.	7 stops (13 mins)
<u>To the hotel</u>	<b>22</b> from Hellichova to Malovanka (direction of Vypich or Bílá hora)	<b>Hellichova:</b> at the corner (lights junction) <b>Malovanka:</b> right in front of the hotel.	7 stops (16 mins)

For the best info about Prague public transport, we recommend downloading *IDOS* app from your app store or using Google Maps.
